

Week 0: Career Services Assignment – Goal Setting

Points possible: 50

Overview: Our goal at Promineo Tech is to teach the skills required to gain a job in a growing industry at an affordable cost. Completing this program and changing careers will be challenging, but well worth the effort. This first career services assignment will help us help you make a career transformation. Set a clear goal and articulate your own reason behind the goal. This will help you maintain focus when challenges arise.

Instructions :

- Answer the questions below in-line
- Save this file as a .pdf and upload the .pdf to the Week 0: Career Service Submission file.
- Print two copies of this assignment. Share one copy with someone close to you. Ask if they will support and hold you accountable for meeting your goal. Keep the other copy for yourself as a reminder throughout the program.

Questions:

1. What is your goal in taking this course?

-My goal is to become more familiar with Java and be able to use it to build programs.

2. When you achieve your goal above, what's something new in your life you will be able to do that you couldn't do before?

-Be more marketable for a job search.

3. If any of the days get difficult, what is your reminder as to why you are here in the first place? What can you say to yourself to keep moving forward?

-I'm gaining skills that will help me get a better career.

4. Having a dedicated place to do your studying is a key to your success. Describe where you plan to do your studying and what improvements you can make to ensure you can best maintain focus.

-I currently have a home office as I work remote sometimes. Limit distractions.

5. Are you able to put in up to 20 hours per week towards this program? List the times throughout the week you can work on the class. (Ex. Mon: 4-6PM, Wed: 8AM-1PM)

-Anytime I do not have work or any other obligations.

6. On a scale of 1 to 10, how committed are you to graduating from this program (10 is most committed, 1 is least committed)? Explain why.

-10 because I enjoy learning and I want to better my career.

7. On a scale of 1 to 10, how committed are you to finding employment as a software developer (10 is most committed, 1 is least committed)? Explain why.

-10 because I have some experience as a developer and I enjoy it.
